29 January 2020

Dear Parents and Carers,

Welcome back to all our Riverbank families and a special warm welcome to those students and their families who are joining our school community. We hope you enjoy a long and happy association with our school. We take pride in setting high expectations of our students who are the very centre of our structured learning environment. Our Restorative Practice philosophy provides a framework for building strong relationships, effective communication, personal and social responsibility and a sense of belonging.

Education in a changing world has a vital role to play in preparing students for successful, enriched lives. At Riverbank Public School, students are challenged, yet nurtured and work both independently and in groups to solve authentic problems. Learning includes partnerships with industries in order to develop skills in students of innovation, fair testing and experimentation. Students accumulate a strong repertoire of general capabilities including literacy, numeracy, creative and critical thinking, intercultural understanding, ethical understanding, information and communication technologies and personal and social capability.

Students, staff, parents and community members are encouraged to participate in all aspects of school life. Parents are valued as true partners in the education of their children, contributing their initiative, energy, time and expertise to the school. At Riverbank, all students have the opportunity to attain knowledge, skills, values and attitudes enabling them to be reflective, self-sufficient and self-motivated lifelong learners.

This year we have formed 64 mainstream classes and 3 support classes for students with special needs.

12 Early Stage 1 - Kindergarten

22 Stage 1 - Years 1 and 2

16 Stage 2 - Years 3 and 4

14 Stage 3 - Years 5 and 6

The first few days of a new school year are always a little hectic; as students learn new routines and parents are keen to find out what class their children are in and where they line up. I have been very impressed with how settled the students have been in their new classrooms.

Our school times are 8.45am to 2.45pm.

Morning supervision 8.15am to 8.45am

8.45am	Morning bell
10.15am	K-2 Recess
10.45am	3-6 Recess
12.45pm	K-2 Lunch
1.15pm	3-6 Lunch
2.45pm	Afternoon bell

Our main entry gate will be open from 8am to 9am and then from 2pm to 3pm. During 9am and 2pm, there is an intercom at the main entry for parents to access the school. The High School now have their own gates on Wentworth Street, located near their car park.

Before and After School care will now have their own gates from 6.30am to 8.15am and then from 2.45pm to 6.30pm. This gate is the entrance the school used in 2019.

A list with class names, teachers and a school map will be included in next week's school newsletter and will be placed on our website and school app this week. Our 2020 School Information Booklet is now available on our school website.

2020 school invoices will be sent out each term. The Term 1 invoice has been included in the welcome pack.

All students have a wonderful opportunity to participate in weekly Chess, Dance, Choir, Band, Music, Music tuition, Drama, ICT, Debating and PSSA sport programs. An overview of paid after school activities will be sent out on the school app this week.

I have included in the welcome pack our 2020 Term 1 Calendar, which highlights key events throughout the term. Dates may sometimes vary, and new events will be added. The calendar is available on the school's website.

Meet the Teacher information evening sessions will be held during weeks 2 & 3 and week 5 for Kindergarten. All sessions will commence in the school hall and these sessions are for parents only. Individual student learning will be discussed at parent - teacher interviews in Week 10.

Newsletters are published during even weeks and updates are sent out through our school app. Our Facebook page celebrates our weekly achievements.

Late Drop off and Early Pick Up - If you are picking up your child early, you must go to the school office and sign them out before you collect your child from the classroom. If a student is late coming to school, you must sign them in at the front office before they go to class. Students cannot sign themselves in or out of school.

The school's Kiss and Ride area is within the "No Parking" zones and are located on Wentworth Street and Riverbank Drive. You are only allowed to stop your vehicle to set down or pick up passengers and must not stop for more than 2 minutes. The driver must not be more than 3 metres from the vehicle. Highway patrol will be regularly patrolling our perimeter. Thank you for ensuring the safety of all of our students when entering and leaving the premises.

At Riverbank, we value open communication channels in our school. You are more than welcome to make an appointment to meet with me by contacting the School Administration Staff. Alternatively, I am in the playground most mornings and afternoons and I always welcome feedback.

Best wishes for an exciting year ahead.

Mrs Jeanie Brown
Principal

RIVERBANK PUBLIC SCHOOL

25 Wentworth Street THE PONDS NSW 2769

Welcome to Stage 1 2020

Dear Parents and Caregivers,

We would like to welcome all of our Year 1 and 2 families (both new and existing) to Riverbank Public School. We have had a wonderful and exciting start to 2020.

Your child's teacher is in class

School Times from 8:45 to 2:45pm

Children are not to be at school before 8:15am. Upon arriving at school, children are to leave their bags at their designated space as set by their class teacher. Students who have siblings in the high school will be supervised in the area near the staffroom until collected at 3pm by their sibling.

Meet the Teacher Night

The Stage 1 teachers are looking forward to getting to know the children in their class and meeting each child's family. A 'Meet the Teacher' information session has been organised for Tuesday 4 February between 6pm and 7pm in the school hall. This is a great opportunity for you to find out more about our routines and the fabulous programs we are offering our students. A letter will be sent home with more information.

Labelling

Please ensure that all items of clothing, including hat and school bags, food containers and drink bottles are clearly labelled with your child's name. This will ensure that 'missing' items are returned to the rightful owner.

Code of Behaviour

Our Hip Keys are:

Our School Values are:

1. We share voice space by listening quietly
2. We follow instructions:
*In the right place
at the right time
doing the right thing*
3. We use build ups by saying nice things
4. We keep our hands, feet and objects to ourselves
5. We own our own behaviour because we choose how we behave

Crunch and Sip

Every day we will participate in Crunch and Sip. At this time children are encouraged to eat fresh fruit or vegetables and drink water. It would be wonderful if your child has something for Crunch and Sip every day.

Curriculum

English

Reading, Writing, Speaking & Listening - Our students will develop their reading, comprehension strategies and writing skills through modelled, guided and independent teaching and learning. Students will explore specific aspects of texts that enhance enjoyment. They will learn that texts are a way into the world of the imagination and can be enjoyed many times. Handwriting, grammar, phonics and phonemic awareness are all elements of English that will be integrated into students learning. Spelling will be supported through the use of Sound Waves.

Mathematics

Number & Algebra - students will participate in lessons to develop strategies with whole number, addition & subtraction

Measurement & Geometry - lessons will be focusing on length, 2D and 3D shapes

TEN - is a program which consolidates teaching from the Number and Algebra strand. It involves the delivery of explicit lessons to the whole class and small groups with a focus on developing mental strategies for whole number and addition & subtraction.

PDHPE

Sport and Fitness - Students will be required to wear their sports uniform on Mondays and Thursdays. During these sessions, students will focus on developing fundamental movement skills such as catching, throwing, kicking and hitting a ball that can be used in team sports. Students will also be learning how to play a variety of team sports and games.

Health - Students will be learning how they can be inclusive and respectful. They will describe and practise ways to develop caring and respectful relationships through our Restorative Practice framework and bullying unit.

History - The topic 'The Past in the Present' provides a study of the history of their local area, examining the remains of the past and why they should be preserved.

Creative and Practical Arts

This term the Creative and Practical Arts program integrates music, drama, visual arts and dance. Students will have the opportunity to explore and create different art forms related to the Indigenous Culture and our Science unit 'Earth and Space'.

Science and Technology

Science - The topic 'Earth and Space' focuses on the observable changes that occur in the sky and landscape. Students will explore how the Earth's resources are used and investigate their conservation.

Technology - will be integrated into all key learning areas through the use of iPads, laptops, desktops and interactive screens. Students will also use robots, virtual and augmented reality and holograms to enhance their learning experiences.

STEAM – is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics to guide student inquiry, conversation, and critical thinking. The program will encourage students to take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative and designing process. Students in Stage 1 will use innovative technology, complete investigations and become confident problem solvers through their learning experiences.

Homework

Homework will commence in Week 3. It will be sent home each Friday and returned on the following Thursday. The activities that are sent home are to revise the English and Maths skills taught in class. At different times during the year there will also be small assignments set, usually based on History or Science topics. Students will be given a set time to complete these assignments. It is expected that all homework be completed by the student and supervised by a parent. If you have concerns regarding homework please do not hesitate to come and meet with your child's classroom teacher.

Home Readers

Shortly your child will start our home reading program. A letter will be sent home with details regarding this program. Please encourage home reading as much as possible - both silent reading and listening to your child read out aloud. Even the best readers come across words that are unfamiliar to them. This will be a great way to prepare them for home reading!

Literacy at home

- Talk about experiences at home – ask questions
- Read with them as often as possible
- Use the school or local library to borrow Literacy resources
- Be an interested listener
- Practise spelling with your child as often as possible, praise every effort made
- Read to and with your child as often as possible

Numeracy at home

- When measuring ingredients, or shopping, mention weights, capacities etc. Identify shapes in the home
- Help children to learn the time - analog and digital and converting between the two
- Solve problems which require the use of Mathematics
- Create shopping lists together, estimate total costs and work out how much money is needed or how much change is received

Additional Learning Needs

Some children have special or additional needs. If your child has an identified learning or other need, please advise the school early so that a plan can be put into place. As each plan is different, it is important to provide us with as much information as possible so that we can have a comprehensive understanding of your child's needs.

Assemblies

Our Stage 1 assemblies will be held on Thursday afternoons at 1.45pm, with Year 1 assembly being held during odd weeks and Year 2 assembly being held during even weeks. Assemblies will begin in Week 5,

starting with Year 1. Parents will be notified when their class is performing the assembly item and are welcome to attend. These dates are also published in the school newsletter.

Allergies

If you have any concerns with your child's allergies or other medical conditions, please contact the school office as soon as possible. We try to avoid all peanut products in the classroom. We thank you for your cooperation and ask that children not share food at school.

Birthdays

Birthdays are special occasions for children. If your child wishes, they may bring cupcakes for the class on their birthday.

If you have any questions or concerns regarding your child's progress, please do not hesitate to contact the school to arrange a time for a meeting with their classroom teacher.

We are looking forward to a great year together.

Kind Regards,

Mrs Jessica Muir
Assistant Principal Year 1

Mrs Leah Felton
Assistant Principal Year 2

Homework for Parents

Student's Name and Class: _____

Parent or Guardian's Name(s): _____

To complement our circle time activities and restorative values, please complete the following worksheet.

1. How does your child interact with other children or with siblings?

2. My child's favourite interests or activities are:

3. My child's favourite part of school is:

4. I believe my child's strengths and weaknesses are:

5. My child participates in the following activities outside of school:

6. I would like my child to achieve the following this year at school:

7. My child's attitude towards school is:

Is there anything else that you feel would be beneficial for me to know about your child?

Thank you for taking the time to complete this information sheet on your child. Can you please return it to your classroom teacher by Friday 1 February.

*To welcome our new families to
Riverbank your P&C would like to invite
you to our:*

P&C Welcome Picnic

Where: Riverbank Public School

When: Sunday 23 February 2020

Time: 9am to 10:30am

Please bring a picnic blanket and enjoy getting to know other families.

We will provide tea, coffee and water on the day.

We will also be holding a cake stall to help kick start our fundraising for the year.

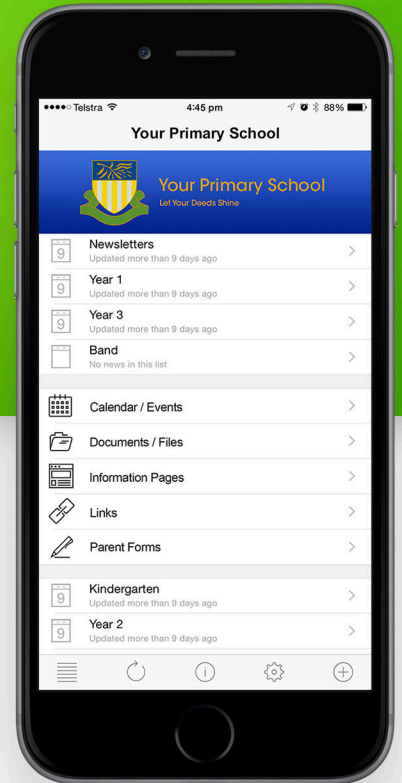

We look forward to seeing you there.

Although we would like for the whole school to come please note that due to large school numbers this invitation is for Kindergarten and new families who have joined us in 2020 only.

SchoolEnews

Schools send free alerts and notes, newsletters, notices, events, news and more to parents.

School Enews delivers news directly to parents and students!

How to install your School App

iPhone and iPad Users

- 1) Press App Store icon on your device
- 2) Press Search and type in your school name
- 3) Press "Get", the app will download
- 4) Press "Open" and accept "push alerts"

Android Users

- 1) Press Play Store icon on your device
- 2) Press magnifying glass and type in your school name
- 3) Press "Install", the app will download
- 4) Press "Open"

Configure Push Alerts

- 1) Press "Settings / Cog" icon
- 2) Turn off the lists you don't want

Other Smartphones and Tablets

Visit <http://app.schoolenews.com> for more apps

Subscribe for Email Updates

- 1) Visit your school website
- 2) Click "School Enews" or "Newsletters & Notes" top heading (might differ slightly)
- 3) Under the "Subscribe" heading, tick on appropriate lists
- 4) Enter in your name and email address.
- 5) Click Subscribe (IMPORTANT: An email will be sent to your email address, you MUST click the "Activate Now" inside this email that is sent to you)

Permission to Walk to Peel Reserve

Dear Parents/Carers,

At times throughout the year we organise learning opportunities and experiences that are outside the boundaries of the classroom and school site. In particular, we will be utilising Peel Reserve (Greenview Parade, The Ponds) at various times as an area for sporting events, PSSA training and other activities.

These activities are at no cost to parents but require permission to walk to Peel Reserve and the use of its facilities.

Please note that this permission will remain in place for the 2019 school year. If at any time you wish to amend this, please contact the school.

Mrs J Brown

Principal

Permission to Walk to Peel Reserve

Please return by Friday 8 February 2019

I give permission for my child to walk to Peel Reserve and use its facilities under the direct supervision of a teacher. In the event of illness or injury I give permission for medical assistance to be sought.

Child's Name: _____

Child's Class: _____

Parent/Carer Name: _____
