PRINCIPAL'S REPORT

Welcome back to our final term for 2016! It's going to be another busy term filled with learning and exciting events. I would like to extend a warm welcome to seventeen new students and their families to our school community.

Ridges Musical Festival

Congratulations to our school choir, band members, drama and dance groups on their outstanding performances at last Thursday night's Ridges Musical Festival. Thanks to Miss Edwards and Ms Mac Masters for coordinating the choir and to Ms Feather, Ms Brunetta, Mr Chan, Ms Loui and Mrs Redman for leading the performance groups. Also thanks to Mr Philip Robinson our band conductor. It was a spectacular performance and I was very proud of our students for representing Riverbank PS. We look forward to showcasing all of our performance groups on Tuesday 29th November from 6pm in the High School hall. Invitations will be sent home.

Riverbank Public School Master Planning - Survey

Thank you for completing the recent survey on the master planning for Riverbank PS. More information booths we will be held out the front of the school this term keeping you informed on the upgrade of classrooms and facilities. The next session will showcase the design and location of the new building.

2017 School Enrolments

Anticipated enrolments are 805, being 32 stage classes and 3 support classes. Classroom demountables are now being installed in the primary school car park. I have ensured the

demountables continue to stay off our school oval and hill allowing our students to continue to enjoy the open space.

2017 Kindergarten Transition

We anticipate 120 Kindergarten students in 2017. Transition to school dates:

Thursday 27 October 9.15am -10.45am	Parent and Student session
Thursday 3 November 9.15am -10.15am	Student session only (Uniforms on sale)
Thursday 10 November 9.15am -10.15am	Student session only (Uniforms on sale)

2018 Year 7 Selective High School Applications:

Applications for placement in Year 7 at a Selective High School in 2018 are now open. Applications must be submitted online by parents/carers of current Year 5 students before Monday 14 November. The Selective High School Placement Test will be held next year on Thursday 9 March 2017. For further information and to apply, go to: www.schools.nsw.edu.au/shsplacement.

Application information handbooks are also available from the school office.

Lego Robotics

Our outstanding Lego Robotics after school program continues this term. Please refer to the flier in this week's newsletter.

Grandparents Afternoon

NSW Grandparents Day celebrates the contributions grandparents make to their families and communities. It recognises the diversity of grandparent relationships across age groups, cultural backgrounds, and geographical locations. This year NSW Grandparents Day will be celebrated on Sunday 30 October. Riverbank Public School warmly invites our grandparents to join us for a picnic lunch on Friday 4 November, followed by an opportunity to join the students for the afternoon. We understand that some of our students may not have a grandparent able to attend, therefore they are more than welcome to invite a special person such as an aunt, uncle or family friend along. Notes have been sent home.

Date: Friday 4th November Tea, coffee and cake provided

Interrelate

relationship experts since 1926

Notes will come home shortly inviting parents and children to attend an event at our school run by Interrelate on Monday 14th November. Interrelate is a not-for-profit organisation and receives no government funding for their school education work. Interrelate's high-quality Sexuality and Relationship Education program is coming to our school! With over 90 years' experience in this field, Interrelate has a reputation for providing excellence in sexuality and relationship education. Today, over 40,000 students and family members participate in Interrelate School and Family programs each year. Many parents find it hard to discuss questions relating to sexuality education. Interrelate programs are interactive, family focused and are conducted by highly trained and experienced educators, who adhere to a strict code of ethics.

- **Session 1: (1-hour session - Year 3-6) 6:00pm** This session educates children about how their bodies work and the differences between males and females, including their understanding of conception, fertilisation, foetal development and the birth process.
- **Session 2: (1-hour session - Years 5-6; Years 3-4 at parent's discretion) 7:15pm** This session prepares children and parents/caregivers for the physical, social and emotional changes associated with puberty, and addresses changing emotions and relationships with families and peers.

For more information- <http://www.interrelate.org.au/>

I encourage parents of all Stage 2 and 3 students to attend with their child/ren.

Finally,

Happy Diwali to all our families celebrating on Sunday 30 October. Diwali is a festival of lights and is one of the most prominent and famous Hindu festivals of India. In Sanskrit, word 'Deepavali' means "rows of lights" so this festival is also known as "Festival of Lights".

Looking forward to a wonderful term.

Have a lovely fortnight!

Kindergarten Transition morning tea request

To welcome the new families joining our school for Kindergarten in 2017, we would like to hold a morning tea on **Thursday 27th October**.

We would like to kindly ask our **existing Kindergarten families** to assist us by providing a **small plate of food** for this morning tea. This gesture would be much appreciated as we started this tradition last year and hope to continue it, to welcome new Kindergarten families in future years.

Prior to **9.00am**, a table will be set up **outside the hall** to collect plates of food from students. Disposable plates/bowls preferred. If you are available from 9.00-11.00am, to assist with the organisation of the morning tea, please inform Mrs Gibbs prior to the event.

Thank you for your anticipated support.

DEPUTY PRINCIPAL'S REPORT

Welcome Back

I hope everyone had a great break. The students have returned full of energy and enthusiasm, ready for Term 4. As Mrs Brown has already outlined, it will be a very busy term as we welcome next year's Kindergarten to their Transition to School days, welcome our Grandparents to the school and ready Year 6 for their transition to high school, just to name a few. It will be a term full of exciting opportunities for all students and the community.

Road Crossing Supervisor

Unfortunately, we were unsuccessful with The Roads and Maritime Services (RMS) Department on our recent application for a Road Crossing Supervisor for the Pedestrian Crossing on Wentworth Street. The P&C have been informed of this decision and a new application will be made early next year due to our ever expanding school population.

Technology Update

Riverbank has continued to invest in Technology this year. This semester we have purchased 60 more iPads for use in Stage 1, bringing the total of iPads to 140. The school purchased an additional 30 touch screen laptops for Stage 2, bringing the total of touch screen laptops to 60 and purchased 30 new desktop computers for use throughout the school. The teachers are very keen to use this technology in the classroom and look forward to enhancing the student's ability to successfully navigate in the digital world.

Bring Your Own Device (BYOD)

As mentioned in earlier newsletters, Riverbank is investigating the idea of BYOD for Stage 3 only in 2017. There will be more information in the very near future, which will include information sessions with The Ponds High School and our preferred provider. This will be a transitional process for Riverbank and Stage 3. Students are not expected to have purchased a BYOD device for the beginning of 2017. More information will be given shortly regarding timelines, device requirements and how the devices will be utilised by Stage 3 in 2017.

The Partners in Learning parent feedback survey

Survey closes end of this week.

This is how we Learn and Live!

SCHOOL NEWSLETTER • 17 October 2016 • TERM 4 WEEK 2

This semester, our school has been participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 22 August and 21 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

The School's Survey Link is: <https://nsw.tellthemfromme.com/rps4653>

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

Arrival and Departure Times

The official start time for Riverbank Public School is 8:30am, but recently some students have been arriving at school from 7:50am. There is no supervision provided until 8:30am and any student who continues to arrive at school too early will be directed to OOSH (Out Of School Hours) at the parent's expense. Those students who have siblings attending the High School are reminded if they do arrive at school early due to High School starting times, the older child must remain with their younger sibling until 8:15am. School finishes at 3:00pm and it is expected that students are to be picked up at this time. Any student who is continually collected late will be directed to OOSH at the parent's expense. If due to unforeseen circumstances, you are running late a phone call to the school would be greatly appreciated.

Thank you

Stage 3's Canberra Excursion

During Semester 1, students in Stage 3 studied the development of Australia as a nation. We explored the factors that led to Federation and experiences of democracy and citizenship over time. The children examined the Westminster system and other models that influenced the development of Australia's system of government.

During the last week of Term 3, Stage 3 students from Riverbank PS had the wonderful opportunity to take an educational tour of the National Capital. Children were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the National Capital as part of their Civics and Citizenship education. To assist families in meeting the cost of this excursion, the Australian Government contributed funding under the Parliament and Civics Education Rebate program (PACER). The rebate is paid directly to the school upon completion of the excursion.

Stage 3 children had the opportunity to visit The Australian War Memorial, The Australian Institute of Sport, The Snowy Hydro Information Centre, Parliament House, Old Parliament House and Questacon.

This excursion consolidated our classroom learning experiences and the children were commended many times for their exemplary behaviour.

Stage 3 Teachers.

Operation Christmas Child

I would like to say thank you to our entire school community for their generous donations to the Operation Christmas Child shoe boxes. In total, we filled 53 boxes, which will be collected this Friday and taken to the warehouse where they will begin being transported around the world to underprivileged children in developing nations. Your gifts, no matter how small, have made a huge impact on these children's lives.

Russ the Story Bus is coming to Riverbank!

Presented by Sydney Writers' Festival, Russ the Story Bus is a creative space where children can browse a library full of the latest children's books, choose a book to take home, listen to a story or hear authors and illustrators talk about their craft.

Russ has been visiting schools since 2014, making this his third road trip to Western Sydney as part of our annual Children's Festival of Moving Stories. This year, Russ will be extending his travels: visiting schools in regional NSW for the first time.

An author or illustrator will accompany each of Russ's school visits to talk about their craft. Our fantastic line-up of Australian writers and illustrators for children and young adults includes Dub Leffler, Katrina Nannestad, Tony Wilson, Judith Rossell and Tony Flowers. (Text courtesy SWF.org.au)

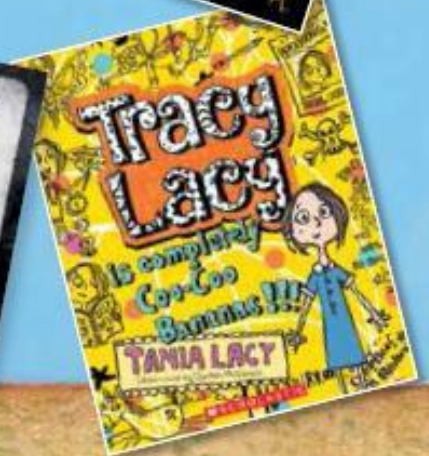

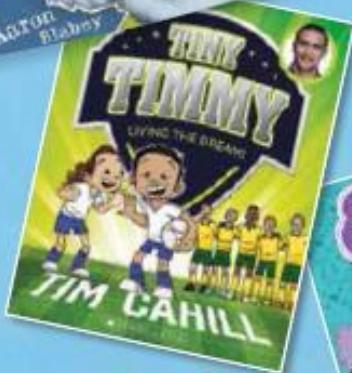

Please note: *Russ the Bus will be at our school for the afternoon of Wednesday 2nd November. Unfortunately, due to limited time and space, only Stage 2 students will be invited to participate.*

Home Loans That Makes A Difference

Dear Parents,

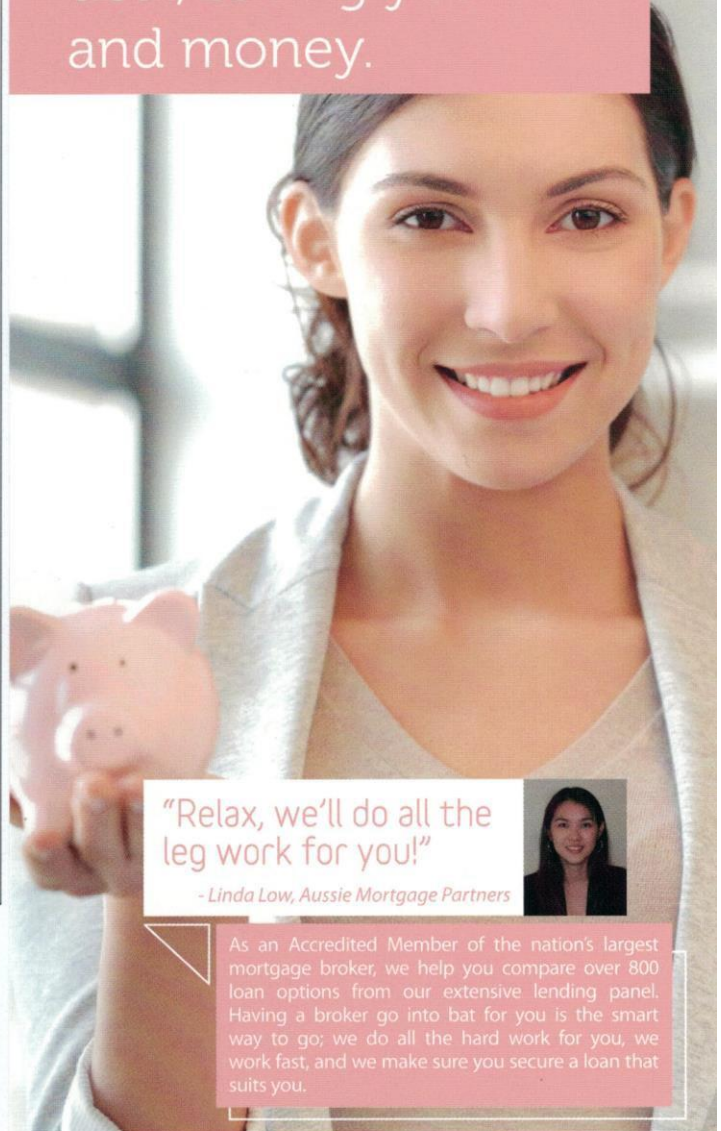

How would you feel knowing that you've helped the Riverbank Primary School to raise funds to purchase the much needed air-conditioning for the classrooms by just taking up a home loan? It could be a new home loan, a refinance or a commercial loan.

As a business operator and a resident of The Ponds myself, I am committed to helping our local community. Aussie Mortgage Partners is committed to contributing \$100 towards the school for every successful loan taken up by the staff member and parents of the Riverbank Primary school with us.

With the low interest rates that banks are currently offering now, you will likely find yourself a good deal and help the school at the same time. You are more than welcome to book in an obligation free appointment at a time which is convenient for you to review your home loan.

Note: Contribution will be made for all settled loans only. You will be notified once payment is made. Please quote this flyer or "Riverbank" when you call for enquiry.

We'll find you a great deal, saving you time and money.

"Relax, we'll do all the leg work for you!"

- Linda Low, Aussie Mortgage Partners

As an Accredited Member of the nation's largest mortgage broker, we help you compare over 800 loan options from our extensive lending panel. Having a broker go into bat for you is the smart way to go; we do all the hard work for you, we work fast, and we make sure you secure a loan that suits you.
