## PRINCIPAL'S REPORT

### Remembrance Day Services

Remembrance Day is a day of special significance to all Australians, commemorating the loss of Australian lives in all wars, conflicts and peace operations. Last Friday our School Captains led our Remembrance Day service and represented RPS at a service at Riverstone-Schofields RSL sub Branch.

### 2018 Kindergarten

We have enjoyed welcoming our 2018 Kindergarten families for the first two of our three sessions of 'Kindy School' transition program. A big thank you to Mrs Gibbs, Ms Thoroughgood and the Kindergarten team for coordinating the events and to Mrs Newton and her amazing Administrative Team for impeccable organisation. We currently have 185 students enrolled and we will be forming 10 kindergarten classes.

### Planning for 2018

We are busily planning in preparation for next year. To allow us to plan as effectively as possible, we would like those families who know they will not be returning to the school next year to confirm these details as soon as possible. If you are aware that your child will return to school late next year, I ask that you confirm these details as well. This information is critical for the school's planning, since staffing and student enrolment numbers affects class structures. We are anticipating 1050 students, with 41 mainstream classes and 3 support classes.

### Celebration of Learning

On Wednesday 13 December, all students will celebrate 2017 by attending stage discos in our school hall, followed by class picnics.

## P&C Movie evening Saturday 25 November

Come along and enjoy a wonderful evening watching Paper Planes under the stars on our school oval.

## Finally

Last Thursday and Friday, I had the pleasure of being invited to attend a symposium as part of the Department's Education for a Changing World initiative. This initiative was about exploring the implications of advances in Artificial Intelligence (AI) and automation, and the reforms that may need to be set in motion now to ensure education best prepares young people to successfully navigate a more complex world. I am proud that our focus at Riverbank is to develop our students' critical thinking skills, encourage them to build positive relationships and have a voice through our circle time activities. Next year we will continue with weekly coding lessons and introduce robotics to students.

I am always available to meet with parents and family members, so please feel free to pop in and see me anytime to have a chat. I value suggestions and feedback from students, parents and families so we can keep providing the best educational opportunities for our children.

**Have a lovely fortnight.**

## MESSAGE from the DEPUTY PRINCIPAL

### Pets

Pets MUST NOT be brought onto school grounds. This is Departmental Policy. Children have allergies, fears and anxieties that others may not be aware of. No matter how placid you believe your animal to be, it cannot be brought onto school grounds.

Thank you for your understanding regarding this matter.

### Absences

The Department is completing their annual audit on all absences for the year. I will be sending out reminders for absences where the school has not received an explanation. It is extremely important that reasons are received for outstanding absences, as the Department does regularly inspect these.

Your child's absence/s are easily accessible on the Parent Portal.

If you are going on an extended vacation, it is important that you complete the correct documentation before you leave. There are forms located at the school front office that should be completed before your departure. If this documentation is not completed, you may be stopped at the airport and unable to continue on your journey.

### Scooters

Children riding to and from school on their scooters must wear a helmet, as it is an enforceable law. Once on school grounds, students must walk their scooters to and from the bike stand. We have had a few instances where students are exiting the school's back gate, riding their scooters in a dangerous manner.

### Parent Portal

The Parent Portal is added to on a regular basis. I have recently added a module where parents who have students in Years 3 and 5 can examine their child's NAPLAN results.

All parents are able to look and print off your child's last report and examine attendance data.

## Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers and parents.

When Things Go Wrong.....When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

**Our school rules incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing and challenging living and learning environment.**

## RPS Sport Update

### Summer PSSA

Summer PSSA has resumed and our sports people are enjoying their stylish outfits. Look out for some great results on the field this term.

### Week 4 Round 8

#### AFL

##### Riverbank PS vs Kellyville Ridge PS

**Juniors** Lost 1-68 Team Player – Riley Best and Fairest - Imran

**Seniors** Lost 0-104 Team Player – Sahil Best and Fairest - Darci

The players looked the part in their new Riverbank AFL jerseys as they took the field on Friday. Both the junior and senior teams showed excellent perseverance to keep on expecting the best throughout the entirety of each match. There was plenty of excitement throughout the matches as Riverbank came close to scoring a number of goals, unfortunately Kellyville Ridge were too strong in the backline and we were unable to break through.

#### NRL Tag

##### Riverbank PS vs Rouse Hill PS B

**Juniors** Lost 2-10 Team Player – Lachlan S Best and Fairest - Sanah

**Seniors** Lost 5-15 Team Player – Cameron Z Best and Fairest – Ashley D

Juniors started off slowly but were able to quickly warm up. They made some good plays and found space along the wings resulting in two exciting tries. There were also some great defensive efforts, with special mention to Lachlan and Maehe who both ran a distance to make heroic try-saving tags. Well done Juniors.

Seniors moved the ball well and played as a team. Thanks to some crafty footwork from Cameron and passing from Navi, we were able to put quite a few points on the scoreboard. It is very exciting to see this team improve every week and I look forward to seeing how far we can go.

#### T-Ball/Softball

##### Riverbank PS vs Rouse Hill PS 2

**T-Ball** Lost 8-16 Team Player – Tanvi Best and Fairest – Tvisha

**Softball** Lost 3-5 Team Player – Keira Best and Fairest – Yanee

SCHOOL NEWSLETTER • 15 November 2017 • TERM 4 WEEK 6

After a long and arduous wait due to the weather, the girls finally hit the field brimming with nervous energy. Our T-Ballers took a couple of innings to get runs on the board as we were great getting on base but just could not complete that run final home. Then Misha stepped up to the plate with grim determination stamped across her brow. The team knew their luck was about to change and Misha didn't disappoint, eventually running in for our first home. Super fielding efforts from Zeba, Charlie and Madeline to chase down hits that lead to outs. Tvisha was a star scorer getting home twice and earning herself the coach's award. Tanvi was the team choice as she proved herself invaluable in the field thwarting a couple of attempts from our opposition to get runners home or on base.

The nerves and tension in the softball game was high. Nails were bitten to the wick as we had a few new and uncertain players in the team. Our opposition batted first and put in a fine effort. Our team fielded strongly with many in unknown positions – it has been a while since our last game. Keira managed a couple of fantastic outs as shortstop and, when batting, gave the ball an almighty whack through to the outfield. Her efforts earned her the team vote and a massive boost to her confidence. Yanee stepped up to pitch in the second innings but was replaced by Alyse as her nerves just got too much. In the end, due to uneven innings, the scores reverted and our nerves were totally un-necessary as this game was virtually neck and neck throughout. Well done to every player this week.

## Week 5 Round 9

### AFL

#### Riverbank PS vs Parklea PS

<b>Juniors</b>	Lost 3-47	Team Player – Riley	Best and Fairest - Imran
<b>Seniors</b>	Lost 0-58	Team Player – Darci	Best and Fairest - Aahil

This week both junior and senior teams fought hard and made big improvements. Riverbank had plenty of opportunities to score in both games, unfortunately we kept just missing out on getting the ball between the posts by a small amount. We will work hard in training next week on our kicking and hopefully we will start to kick some goals. In the juniors, we kicked a ball through the goals, but it was unfortunately touched leading to a behind.

### Riverbank PS vs Quakers Hill East PS

**Juniors**      Lost 2-10      Team Player – Maehe      Best and Fairest – Lachlan S

**Seniors**      Lost 2-11      Team Player – Cameron Z      Best and Fairest – Lily T

Seniors played a strong game, scoring two tries early on. Unfortunately we had a few cracks in our defense which allowed the opposition to slip through and score some easy points on the wing. The team put on a good display of sportsmanship.

Juniors continue to improve each week. There was much more communication in defense which was pleasing to see. A skillful play set up by Maehe and Lachy resulted in the best try of the season so far. Keep up the hard work juniors!

## T-Ball/Softball

### Riverbank PS vs Quakers Hill East PS

**Teeball**      Draw 20-20      Team Player – Madeline      Best and Fairest – Charlie

**Softball**      Lost 3-5      Team Player – Sanjam      Best and Fairest – Shivanna

### **Juniors**

Bang! The ball was out of there! Everyone made it home in the first innings with the girls pumped and ready for another win. The other team managed to sneak back into the game with determination and teamwork. The last play of the game saw the girls up 20-16 with QHE having loaded bases. Their batter stepped up and belted the ball to the outfield going past 2<sup>nd</sup> base and right field. The girls were scrambling to get the ball back to the home plate but unfortunately it was just too slow and all the batters made it home. All the girls played with pride, grit and determination. Better luck next time.

### **Seniors**

What is sneaking? Well the girls learnt something new today. Against a formidable opponent who seemed to know all the tricks of the trade. The girls started to pick up some of these skills, however, it was too late and they were already at the bottom of the second innings. The girls skills and teamwork is getting a lot better and they are starting to build their confidence in hitting, catching and throwing. Keep trying your hardest and better luck next time.

It has been excellent to see how adept many students are now in using Oliver/Orbit to search, borrow, renew and reserve books.

**ALL BOOKS MUST BE RETURNED BY

It will be very exciting to welcome these students to the library next year, offering them the first opportunity to borrow this book. The book also includes a special donation label inside the cover, just like the one displayed on the right.
