## **PRINCIPAL'S REPORT**

Welcome back to our final term for 2018. I would like to extend a warm welcome to 14 new students and their families who joined our school community last week. A warm welcome to Miss Danijela Ignjatovic who will be teaching 3K, Miss Alysha McDonald as an RFF teacher, Mrs Melissa Nisbett to our School Administration team and we welcome back Mrs Flora Liu who is returning from maternity leave and will be teaching KH.

### **Ridges Festival of the Arts**

Congratulations to our school choir and dance groups on their outstanding performances at last Thursday night's Ridges Musical Festival. Thanks to Miss Edwards and Ms MacMasters for coordinating the choir and to Ms Harris for leading the performance groups and the many teachers who volunteered to assist with the concert. I was very proud of our students for representing Riverbank Public School. We look forward to showcasing all of our performance groups on Tuesday 27 November from 6pm in the High School hall. Invitations will be sent home.

### **New Build and Entrance**

The new build's Development Application (DA) will be approved within the next week and construction work will commence shortly afterwards. The upgrade is expected to be completed by the start of 2020. During the school holidays, a new temporary access to the school grounds was built on Wentworth Street.

### **Music: Count Us In**

ONE SONG – This year RPS will be celebrating music education in Australian schools. This year's main celebration day event will take place at the beautiful Bellerive Boardwalk on the shores of the River Derwent. For the past six years, schools have been gathering to celebrate Music: Count Us In. On Thursday 1 November, we look forward to joining thousands of students across Australia by signing 'One Song'.

## The Hills Public Speaking Competition

Congratulations to Mahi for representing RPS at The Hills Public Speaking Competition final, which was held at Toongabbie PS. Mahi's prepared speech was "If I had a Superpower" and her unprepared topic was "Why are manners so important".

## Debating

On Monday 22 October, our debating team competed in the final round of the Ridges Friendly Debating Competition. The topic of the debate was 'Students should only use the internet for school work'. Our team competed against Kellyville Ridge Public School and they represented the affirmative side. The team worked efficiently with the Premiers Debating Team to ensure they had strong arguments and rebuttals and successfully won the debate. Congratulations to Marika, Parirk, Dhyana and Savio!

## Remembrance Day Service

Remembrance Day is a day of special significance for all Australians, commemorating the loss of Australian lives in all wars, conflicts and peace operations. Our ceremony will commence at 9.15am on Wednesday 7 November.

## Riverbank SMS Absent Messages

Riverbank will now be sending text messages to parent and caregivers informing them that their child is away from school. Messages will be sent out daily at 10:15am to the parent/caregiver listed as number 1 on the enrolment form. Due to PSSA, students in years 3-6 will not have absent messages sent until 12:00pm on Fridays. If you receive an absent message from the school, please take the opportunity to reply with the reason for your child's absence via text message. One text per child will be required if more than one child is absent. Alternatively, you may wish to explain your child's absence by writing a note or email to the school, stating the reason/s for the absence/s, using the School App or contacting the school by telephone to discuss your child's attendance. We believe providing the option of replying to a text message will ensure the process of explaining a child's absence easier for many in our community, as well as providing an extra element of safety, alerting parents/caregivers if their child is not at school.

In addition to the new SMS service, we will be emailing parents/caregivers of students who have outstanding unexplained absences. If you receive an email about unexplained absences please reply to the email stating the reason why the student was away. Alternatively, you can use the other options stated above to explain the absence.

Our new system will commence Term 4 Week 3, October 29. If you have any questions or experience difficulties with the new system then please make contact with the school.

## Grandparents Afternoon

NSW Grandparents Day celebrates the contributions grandparents make to their families and communities. It recognises the diversity of grandparent relationships across age groups, cultural backgrounds, and geographical locations. This year NSW Grandparents Day will be celebrated on Sunday 28 October. Riverbank Public School warmly invites our grandparents to join us on Tuesday 30 October between 2-3pm for an afternoon of fun in our classrooms. We understand that some of our students may not have a grandparent able to attend; therefore, they are more than welcome to invite a special person such as an aunt, uncle or family friend.

## **2020 Year 7 Selective High School Applications**

Selective High Schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for selective high school placement are considered on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on Thursday 14 March 2019. If you would like to have your child considered for Year 7 selective high school entry in 2020, you need to apply online using a valid email address (not the student's email address). Detailed instructions on how to apply online are available at: [www.schools.nsw.edu.au/shsplacement](http://www.schools.nsw.edu.au/shsplacement).

The application link opens on 9 October 2018 and closes on 12 November 2018. You must apply before the closing date. There are no paper application forms.

## **Additional Kiss and Drop Zone on Riverbank Drive**

A Kiss and Drop Zone has been installed on Riverbank Drive directly after the High School Bus Bay.

“Kiss and Drop Zones are designed for your convenience and for your child's safety. With quick entry and exit, these zones minimise congestion and risk when used properly by all parents and carers. Please move entirely into and to the far end of the bay when entering the area. These zones operate under the same conditions as no parking zones, which means you may stop to drop off or pick up children for a maximum of 2 minutes. You're required to remain in, or within 3 metres of your vehicle”.

An executive staff member from Riverbank Public School will be supervising the Kiss and Drop Zone on Riverbank Drive in addition to the supervision we provide on Wentworth Street, every afternoon until 3:15pm. If your child is in Kindergarten or Year 1 and you wish to utilise this Kiss and Drop Zone, please speak with the classroom teacher to make appropriate arrangements.

## Congratulations

Moksh in 2MD participated in the national clubs Gymnastics carnival held in the Gold Coast from 1 -5 October, in the under 9 level 3 category. There were teams from all around Australia. Out of the six apparatus, Moksh received Gold in Floor, Mushroom and Rings; Silver in Parallel Bar and High Bar and Bronze in Vault. The team came 1<sup>st</sup> overall, received a Gold medal and were crowned "National Champions 2018".

Congratulations Moksh!

## Tell Them from Me Surveys

RPS has been participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents and carers' perspectives on their child's experience at school. These include communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between late August and October. Although participating in the survey is entirely voluntary, your responses are very much appreciated. The link to access the survey is:

## Homework survey

To assist RPS in gaining a better understanding of your child when it comes to completing homework, we request you participate in our annual Homework Survey via the link below. As our homework varies from Stage to Stage, we ask that you complete a separate survey for each of your children at RPS.

## Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers and parents.

### When Things Go Wrong.....When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

## School Motto

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

## Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

## Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

### Walk-a-thon – ‘Trek for Tech’ 2018

The Walkathon information note and sponsorship forms have been sent home with each student. There are some fabulous prizes that could be won by getting out there, being active and receiving donations from friends or family! We look forward to the big day on Friday 26 October.

We are continuing the theme of ‘Trek for Tech’ this year. It was so successful last year, raising over \$13,000 for the school. So, to keep up with our expanding need for technology, we will aim to raise even more money this year.

Students will be dressing up and will participate in this fun event with their peers.

- Kindergarten – Rainbow
- Stage 1 – Upside down/inside out
- Stage 2 – Sports heroes
- Stage 3 – Starting with the letter ‘W’

We really appreciate active participation and thank you for supporting our school to raise money for technology.

Term 4 Week 3

Thursday

1 November 2018

12:30pm

This is an example of a learning space we are building for students across NSW

## Riverbank Public School

Project notification

October 2018

### Investing in our schools

The NSW Government is spending \$6 billion over four years to deliver more than 170 new and upgraded schools. This includes an additional \$160 million in 2018/19 as part of the record \$747 million maintenance investment announced last year. This is the biggest investment in public school infrastructure in the history of NSW.

### Riverbank Public School

A project is underway to upgrade Riverbank Public School to accommodate the growing student population in the area. The project will deliver 15 new flexible teaching spaces, a covered outdoor learning area, additional student amenities, shade structures and an extension of administration and staff facilities.

### Progress summary

During the school holidays, new temporary access to the school grounds was built on Wentworth Street.

### For more information contact:

School Infrastructure NSW  
Email: [schoolinfrastructure@det.nsw.edu.au](mailto:schoolinfrastructure@det.nsw.edu.au)  
Phone: 1300 482 651  
[www.schoolinfrastructure.nsw.gov.au](http://www.schoolinfrastructure.nsw.gov.au)

### Development application

We expected the Development Application (DA) to be approved at the end of September or early October.

We are working closely with Blacktown City Council on the DA. Council asked us to consider a number of issues and we have been working together to ensure the best outcome and minimise impact to open space and play areas. We expect to receive DA approval by the end of October and construction work will commence shortly afterwards.

We still expect to complete the upgrade by early 2020.

### Keeping you updated

We will notify you of the site establishment and construction working hours once the development approval is determined.

School Infrastructure NSW will continue to work closely with the school community engagement as the project progresses.

## **2018 Remembrance Service**

Dear Parents and Caregivers,

The Riverbank Public School 2018 Remembrance Day Commemorative Service will be held on Wednesday, 7 November 2018. This service is to remember the service and sacrifice of women and men who gave their lives in wars, conflicts and peace operations.

We would like to extend a special invitation to any current or former serving Australian or New Zealand Defence Force members and their families to be with us for our commemorations. Those wishing to join us are kindly asked to inform the school office staff of your attendance.

<b>Date:</b>	Wednesday, 7 November 2018
<b>Venue:</b>	In front of the school flag poles and memorial stone
<b>Time:</b>	The service will commence at 9:15am
<b>Uniform:</b>	Students must wear full school uniform.

As this is an outdoor event, it is recommended that students apply adequate sunscreen before attending school on this day.
