## PRINCIPAL'S REPORT

### Welcome back

It has been wonderful to welcome back all students and staff. Hopefully we have just completed our last week of learning from home forever! I would like to reiterate my sincere thanks to parents for their support of RPS during the lockdown period, I am exceptionally proud of our school community.

### World Teachers' Day

The theme of World Teachers' Day 2021 is 'Teachers at the heart of education recovery'. The day recognises the tireless efforts of teachers who have kept lessons going and ensured minimal disruption to pupils' learning over the course of the pandemic. In Australia, World Teachers' Day in 2021 will be celebrated this Friday 29 October. I would like to extend my sincere gratitude to our exceptional teaching staff for their tireless commitment to education. They ensure our students are known, value and cared for, and are engaged and challenged to continue to learn every day.

## **School Oval - Announcing our upgrade**

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy. In 2020, the NSW Government announced the Schools Renewal Program as part of the NSW Government's COVID-19 recovery plans to deliver high-quality school infrastructure across the state and to support jobs in local economies. The Schools Renewal Program allows our school to fast-track a project that has been a priority for us. We look forward to improving the oval and functionality of our school. Projects delivered under this Program share costs – each successful school contributes between 20 and 50 per cent, while the NSW Government contributes the rest of the funds.

## **Project overview**

We are upgrading our school oval with the support from the NSW Government as part of the Schools Renewal Program to upgrade program. The Schools Renewal Program is part of the NSW Government's commitment to provide students with modern and engaging learning facilities. Our school will contribute 30 per cent of the cost and the NSW Government contributes the rest, allowing us to deliver this project faster. Our new Astroturf oval will mean we are able to access to the oval all year round for our school community, now and into the future. School Infrastructure NSW will work closely with our school to minimise disruption to students and staff during construction. The school oval has ongoing drainage issues during wet weather conditions preventing the students having access to outdoor play space. The oval will be replaced with Astroturf including significant drainage repairs. The project will commence in November and be completed for Day 1, Term 1 2022. While the oval will be closed for part of the term, the long term benefits will ensure our students have access to the oval all year round.

## **Year 6 Formal**

Our Farewell events are booked two years in advance. Unfortunately, our booking for our 2021 Year 6 Farwell at Castle Hill RSL is unable to go ahead as planned on 25 November, due to current guidelines in the Department of Education and NSW Public Health orders restricting inside spaces to a minimum of 2 squares metres per person. There is no availability at the RSL or other function centres for when the restrictions ease. In response to this, we have made the following plans. Under the Department of Education guidelines, the Year 6 Farewell will be held on the school site from 5:30pm until 8:00pm on Thursday 9 December. Plans are in place to make this a very special and memorable event for our Year 6 students.

## **Kindergarten Transition 2022**

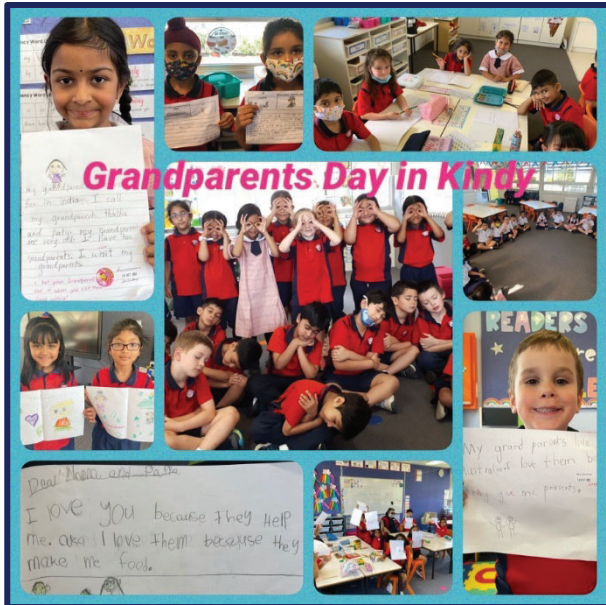

We look forward to sharing an online presentation for new Kindergarten families this Thursday 28 October from 9.15am to outline the transition to school program for 2022.

## **Permanent Buildings**

This term, we will see the installation of a more permanent block of 4 demountables similar to our double story building. The work will be completed for Day 1, Term 1 2022. There will be no impact to teaching and learning.

## NSW Grandparents Day

Grandparents Day celebrates the contributions grandparents make to their families and communities. NSW Grandparents Day will be celebrated on Sunday 31 October. This year, all classes thoroughly enjoyed acknowledging their Grandparents or special person in their lives during our learning from home activities.

## Selective High School 2023

Is your child starting Year 7 in 2023? Applications for Year 7 selective high school placement in 2023 opened on Tuesday 19 October 2021, find out more on:

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

## Opportunity Class Placement Test

Students whose parents have applied for them to be placed in a Year 5 opportunity class in 2022 must sit the Opportunity Class Placement Test. The test will be held on **Wednesday 17 November 2021 at 9am at Riverbank Public School**. The placement test this year will be held online for 60 minutes. Parents will receive 'Test authority' advice by email on Wednesday 3 November 2021. Please log in to your application dashboard and ensure that your contact details and child's current school are up to date. Parents and carers had up until 21 June 2021 to lodge a late application request. It is no longer possible to accept late application requests.

## Birthday Buckets

As part of meeting guidelines set by The NSW Department of Education and keeping students safe in response to COVID-19, parents and carers are unable to send birthday treats to school to celebrate their child's birthday until further notice. We have worked with the canteen to develop Birthday Buckets. Any families wishing for their child to celebrate their birthday at school can order a Birthday Bucket through the Spriggy Schools app. This needs to be placed at least 24 hours prior to the day required.

### **Back to Basics Uniform Shop**

We are pleased to announce that our school uniform provider, Cowan and Lewis, have opened a new retail outlet in Blacktown. Uniforms can be purchased directly from the retail outlet which is located at 156 Main Street, Blacktown. More information can be found in the attachment. Please note that due to COVID-19 all store visits are via appointment only. Please make your booking through their website [www.corwanlewis.com.au](http://www.corwanlewis.com.au)

### **Planning for 2022**

I have anticipated a slight increase in enrolments from 2010 to 2050. I will be forming 79 mainstream classes and 3 support classes. If you know your child will not be returning to Riverbank in 2022, please complete the form attached to the newsletter.

### **What is the approach if parents still do not want children back at school – do schools run both face-to-face and learning from home options?**

The best learning environment for students is the classroom. We have worked closely with NSW Health to develop a COVID-safe and cautious plan to stagger the return to face-to-face schooling from 18 October 2021. **Once your child's year group has returned to school we will no longer be providing remote learning options.**

### **BYOD Information Session for 2022 Year 5**

2022 Year 5 parents are invited to view an online BYOD information session on Tuesday 16 November. Stage 3 has a compulsory Bring Your Own Device (BYOD) program. This session will outline how the devices will be used to assist learning in the Stage 3 environment. We will also go through the Riverbank BYOD policy. The Riverbank policy reflects The Ponds High School policy, allowing a smooth transition at minimal cost as the device purchased in primary school can continue being used in high school. Students can bring any type and brand of device that meets the approved standards. A recorded link will be sent out via the School App on the day. We encourage a parent or caregiver of each current Year 4 child to view the information session.

### **Finally**

Happy Diwali to all our families celebrating on Thursday 5 November. Diwali is a Festival of Lights and is one of the most prominent and famous Hindu Festivals of India.

**Have a wonderful fortnight**

**Mrs Jeanie Brown  
Principal**

## **COVID-19 School Attendance**

Students must not attend school if unwell, even with mild symptoms of COVID-19. Any student with any COVID-19 symptoms must be sent home and not return to school unless:

- they have a negative COVID-19 test result and are symptom free
- they have isolated for 10 days, when no medical certificate is available or
- they have previously tested positive for COVID-19, and NSW Health provides them with a medical clearance that allows them to return to school

In circumstances where students have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test. If a student becomes a close contact, then self-isolation periods and testing requirements differ based on their exposure and vaccination status. If a student is identified as a close contact, an authorised contact tracer from NSW Health or from the department's Health and Safety directorate will make contact and provide guidance. If parents or carers believe that their child has a condition that means it's not safe for them to return to school, they will need to provide a medical certificate. In this instance, it is encouraged that these families speak with their doctor or health care provider to develop a COVID-19 Action Plan to support decision-making about their activities, including attendance at school. If a student is absent for more than three days without a medical certificate, this will be recorded as unauthorised absence and followed up by the school. If you require any clarification about returning to school, please contact the office to discuss with a Deputy Principal.

## **Masks**

Current NSW Health advice requires that all staff must wear a face mask when indoors.

### **Masks are strongly recommended for primary students.**

We ask that students bring their own masks to school and have a clearly named zip lock bag in their school bag for masks to be safely stored while students eat their lunch and recess or undertake physical activity.

## **Drop-offs and pick-ups**

Pick-ups will be staggered by cohorts and use a variety of exits on Wentworth Street.

Parents and carers must follow their school's advice regarding changes to student drop-off and pick-up. Parents and carers should:

- follow the physical distancing advice for their local area and avoid gathering outside school gates
- remain outside school grounds (some exceptions may exist for vulnerable students or students with disability)
- adhere to mask-wearing requirements in accordance with the Public Health Order
- sign in using the Service NSW QR code if entering the school.

### **Morning Drop-Off**

Normal start times will continue for the remainder of the year. This is 8:45am, with supervision provided from 8:15am.

All students must enter through the main yellow gates on Wentworth Street or Riverbank Drive. As we have a natural stagger of students entering the school from 8:15 – 8:45am we can ensure safe social distancing practices between students.

Gates will not open before 8.15am and no supervision will be available before 8:15am. Students will go directly to their classrooms when they arrive at school. Teachers will be present in classrooms from 8:15am to provide supervision.

### **Afternoon Pick-Up**

To support a safe pick-up, a staggered finish time will be in place for the remainder of the year. Classroom teachers made contact with parents earlier in the term to discuss the pick-up arrangements for each child. If there are any changes to these arrangements, please email your child's teacher with the updated information.

All students who are picked up at a staggered time (2:00pm, 2:15pm or 2:30pm) must be picked up by one parent/carer. This must be done so via the designated gate. Parents must wait in their designated class/grade sections and wait for an executive staff member to call parents to the gate to pick up their child. There will be clear signage along Wentworth Street either on the school fence or on A Frames.

Sibling families will be dismissed at 2:45pm. The eldest children from each family will collect their younger siblings from classrooms before exiting the school through the gate of the eldest child.

Children who travel home by themselves will be dismissed at 2:45pm.

## Activities that are not permitted or on hold

Schools must cease the following activities during school hours or within school grounds:

- singing, chanting, group repetition and choirs (except for HSC preparation and assessment)
- sport (except for sport within existing PDHPE classes, provided this limits student mixing)
- bands and ensembles, emergency drills
- interschool activities and events including interschool sport, gala days, trials, knock outs and carnivals
- SRE/SEE/VSA
- community language schools
- assemblies
- school performances, productions, concerts, speech nights and award presentations
- excursions, camps, field trips and principal-endorsed activities for students, international excursions
- student visits to aged care facilities
- community events (fetes, grandparents' days etc.)
- P&C activities, including meetings (unless held online only)
- all external providers and specialist programs not directly related to educational outcomes and support, including community use of school facilities (such as markets and all after school activities)

## Parent Communication

We use a variety of platforms to communicate information about upcoming events and highlight the great things that happen at Riverbank Public School.

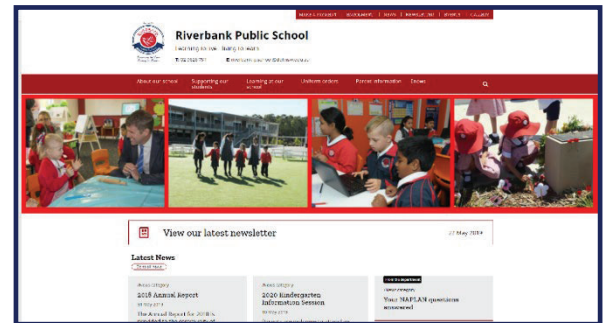

### School Enews App

Important notifications are posted and emailed on the School Enews App. School Enews is a free app available for all mobile devices. Just download the app from the App Store or Play Store by searching for Riverbank Public School. Please ensure that push notifications alerts are turned on so that you can receive information as soon as it is distributed.

### School Website

Our school website is updated frequently. Some notes such as the Canteen Price List, Uniform Shop and our newsletter are all available online. Our school website is <https://riverbank-p.schools.nsw.gov.au>

### Facebook

Riverbank Public School has its own Facebook page where we celebrate student's achievements. Parents are unable to post any news items, but can comment on reports and photos. The page is designed to keep the community up to date regarding all the wonderful things that happen at Riverbank Public School.

### Twitter

In addition to Facebook, Riverbank Public School use Twitter to share events as they happen throughout the school. You can follow us on Twitter [@RiverbankPublic](https://twitter.com/RiverbankPublic).

## **Restorative Practices**

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers and parents.

When Things Go Wrong.....When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

## **School Motto**

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

## Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

## Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

**YELLOW KEY** Care for Others

**GREEN KEY** Think Before Reacting

**BLUE KEY** Respect Yourself

**RED KEY** Work Together for a Non Violent Way

**BLACK KEY** Expect the Best

## Sport Houses

There are Four Sports Houses that reflect the wonderful view the school has of the Blue Mountains.

Team Name	Named After	Famous For	Team Colour
<b>PIDDINGTON</b>	Mount Piddington	One of the highest peaks and is very famous for rock climbing.	<b>BLUE</b> (for the abundance of Eucalypts that give the mountains their blue colour)
<b>TOMAH</b>	Mount Tomah	Is very famous not only for its height but the Botanical Gardens.	<b>GREEN</b> (for the gardens)
<b>BOYCE</b>	Mount Boyce	Is almost the highest point in the mountains and is famous for a major Bureau of Meteorology station.	<b>RED</b> (for the flowering red natives: Waratah, Lambertia or Mountain Devil and Red Grevillia)
<b>YORK</b>	Mount York	Is very famous because it is where Blaxland, Lawson and Wentworth first saw the western plains.	<b>YELLOW</b> (for the viewing of the western plains by the explorers)

## **RPS Medical Procedures**

### **Prescribed Medication:**

When a medical practitioner has prescribed medication that must be administered during the school day, parents/carers must:

- notify the school
- provide up to date information as required
- supply the medication and any 'consumables' necessary for its administration in a timely way
- complete the Riverbank Public School Medical Permission Note (please see the office for a copy of this note).

The administration of prescribed medication in schools is carried out by staff who volunteer and who are trained. Students must not carry medication unless there is a written agreement between the school and the student's parents/carers.

### **Individual Health Care Plans:**

An individual health care plan must be developed for:

- severe asthma, type 1 diabetes, epilepsy and anaphylaxis
- any student who is diagnosed as having a condition that may require an emergency response
- any student who requires the administration of health care procedures

**If your child has any health conditions and does not already have an existing individual health care plan, please contact the office to collect the required forms.**

If your child has an adrenaline auto injector (EpiPen) prescribed by a medical practitioner, an [Action Plan for Anaphylaxis](#) must be completed. If the school does not have a current, Action Plan for Anaphylaxis please have your child's doctor complete one immediately.

If your child has allergic reactions where no adrenaline autoinjector is prescribed by a medical practitioner, an [Action Plan For Allergic Reactions](#) must be completed. If the school does not have a current Action Plan for Allergic Reactions please have your child's doctor complete one immediately.

If your child has been prescribed by a medical practitioner as having asthma, an [Asthma Action Plan](#) is required. If the school does not have a current Asthma Action Plan please have your child's doctor complete one immediately.

# Lost Property

Our lost property tubs are located outside the staffroom and are checked daily by staff. Lost property which is labelled will be returned to students the following day.

Please ensure that all uniforms, lunchboxes and water bottles are labelled with your child's name.

## Dropping Off and Picking Up students

A 'Kiss and Ride Zone' or 'Drop-off and Pick-up' area utilises existing 'No Parking' zones around schools. In these areas, drivers may stop to drop off or pick up children, however **No Parking** rules apply:

- Maximum stop time is 2 minutes
- Driver must remain in or within 3 metres of the vehicle
- Vehicle must not be left unattended

Additional safety tips for school zones:

- Always drop-off or pick-up your child from the designated area, following the school's procedures
- Make sure children use the footpath-side door when getting in and out of a car
- Make sure the hand brake is applied when the vehicle is stationary
- Never double park
- Never park across a pedestrian crossing
- Never undertake a U-turn in close proximity to the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area
- Make sure your school bag and other items are in a safe position, e.g. on the floor
- Be ready to get out of the car with your belongings when the car has stopped and you have unbuckled your seatbelt
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

## No Stopping

**What does it mean?** You cannot stop in this area FOR ANY REASON (including queuing or waiting for space).

**Why is it there?** Keeps clear sight lines between drivers and children/pedestrians.

**Penalty** \$330 + 2 Demerit Points (School Zone)

## No Parking

**What does it mean?** You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. If no spaces are available, you cannot queue on the road way or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up.

You must stay within three metres of your vehicle at all times.

**Why is it there?** To provide a safe place for children/pedestrian set down and pick up.

**Penalty** \$183 + 2 Demerit points (School Zone)

### Bus Zone

**What does it mean?** You must not stop or park in a bus zone for any reason (including queuing or waiting for a space) unless you are driving a bus.

**Why is it there?** To provide a safe place for large buses to set down and pick up school children.

**Penalty** \$330 + 2 Demerit Points (School Zone)

### Pedestrian Crossings

You must not stop within 20 metres before a pedestrian crossing or 10 metres after a crossing unless there is a control sign permitting parking.

**Why is it there?** To ensure that children can be clearly seen by vehicles approaching the crossing.

**Penalty** \$439 + 2 Demerit Points (School Zone).

### Footpaths, Driveways and Nature Strips

You must not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON.

**Why is it there?** You could easily run over a child or force pedestrians onto the road to get around you.

**Penalty** \$183 + 2 Demerit points (School Zone)

### Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

**Why is it there?** Double parking forces other cars to go around you causing traffic congestion and reduces the view of drivers and children crossing the road.

**Penalty** \$330 Demerit points (School Zone)

The school is very fortunate to have dedicated volunteers who assist in the safe pick-up of students in this area. Please follow any instruction given to you by these volunteers in order to keep the children safe.

# SCHOOL ZONE OFFENCES

## WHAT ARE YOU RISKING? \*

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need **YOU** to take extra care when driving and parking around school zones.

### NO PARKING

**No waiting.** You have **2 minutes** to drop-off or pick-up.

You must stay within **3 metres** of your vehicle.

### PEDESTRIAN CROSSING

1. In a queue of traffic, **no part of your vehicle can stop** on a pedestrian crossing.
2. Do not let **your child in or out of a vehicle** at a pedestrian crossing as this is a No Stopping zone.

### NO STOPPING

You must **not stop** on a length of road with a **no stopping** sign.

The first **10 metres** from an **intersection** is a no stopping zone.

**Yellow kerb lines** are also a No Stopping zone.

### DRIVEWAYS & FOOTPATHS

Do not park on or across a driveway or footpath.

### BUS ZONE

Only a public bus can stop in a bus zone.

### U TURNS

U turns are **illegal** on or near a **pedestrian crossing** and across a **double white line**.

### MOBILE PHONES

Extra fines apply for using a mobile phone in a school zone.

May be subject to Double Demerits

### DOUBLE PARKING

Double parking is illegal and is very dangerous in a school zone.

\*Fines current as of 11 November 2020.

Fines and demerit points are subject to change. For more information check out the NSW Centre for Road Safety website.

### SPEEDING OFFENCES

**40km/h** is the limit. Children are vulnerable, so slow down in school zones.

May be subject to Double Demerits

**GIRRAWEEEN**  
HIGH SCHOOL

## **Year 7 2023 Information Link to Year 5 Students and their Parents**

Girraween High School is an academically selective coeducational high school with a focus on providing a balanced and positive education experience for our students who aspire to achieve exceptional HSC results. The school has experienced and dedicated staff, providing students with safe, engaging classes.

Entry is via the Selective High School Placement Test that is run by the Department of Education's High Performing Students Unit. The test will be conducted on Thursday 10 March 2022. Online applications open 19th October 2021 and close 17 November 2021. For more information please refer to our website.

Due to COVID-19 restrictions we are unable to have an information evening at school.

In early Term 4 2021, we will post on the below link

<https://www.youtube.com/playlist?list=PLnXxEpAPUWVOHRMg5PUp-c-DYAcZwF0F2>

which will contain information about our school. In addition to our HSC results outlined below, GHS has an extensive range of cocurricular programs on offer. Examples of cocurricular programs can be found on our website at:
