Year in Review

What an incredible journey we have experienced together this year!

Together, teachers, parents and students have reinvented what learning means and looks like, and our journey wasn't without hardship and frustration along the way. Throughout 2020 and 2021, teachers have adapted curriculum to new teaching platforms and tools. In addition to rising in support of our students and their families, teachers have had to balance their personal life in the process. For all of these reasons and more, I thank our teachers, administration and executive staff for going above our call of duty. Thank you for supporting your students throughout this tumultuous year and greeting each one with a smile every morning. Thank you for creating an environment of safety and regularity in their days. Thank you for communicating with families beyond your normal working hours. Thank you for your empathy, patience, and perseverance.

My thanks to all students who have faced this adversity with positivity, with creativity, with resilience, and with a 'can do' spirit.

Thank you to our parents and families for your support throughout this challenging year. You are an exceptional community and I am so very proud of our partnership.

To our exceptional Year 6 students, congratulations on your successful completion of primary school. The Deputy Principals, Year 6 staff and I have watched you grow and build your resilience in what has been an unprecedented year to finish primary school. Each of you has a strong sense of self and your own keen interests, passions and talents. You are all a testament to the type of student the Riverbank Public School community aims to see graduate from our school. We are proud of each and every one of you and wish you all the very best in your future schooling and in life. We urge you to find the talents that you are passionate about, the activities you just love doing and do well, but don't just pursue them, work hard at them... you will not just succeed, you will thrive and find an enduring happiness! You are my foundation Kindergarten students from 2015 – you will always remain very special to me! The staff and I will look forward to hearing about your continued successes and we hope that we have provided you with the knowledge of respect, responsibility, and the skills to build relationships to take you onto the next important step on your educational journey.

Our thanks to all of our Student Leaders; I have marvelled at your energy, resilience and compassion in your roles this year.

To our families and students who are leaving Riverbank at the end of the year, the staff and I would like to extend our thanks for your enormous contribution and we wish you well.

On behalf of the staff, I would like to thank our extremely dedicated P&C team, so very competently led by Mr Jain, the exceptional executive team and other parents who have helped in so many ways.

I would also like to thank The Ponds Indian Community, Mr Jennings, and the team from North West OOSH, Mrs Weal and the staff of The Ponds High School for their ongoing support.

I would like to extend my heartfelt thanks to Mr Lamont for his leadership at RPS. I wish Mr Lamont all the very best as he relieves as Principal of Pitt Town PS in 2022.

Congratulations to Mrs Rozanc on being appointed as a permanent Assistant Principal at Bert Oldfield PS, Mrs Jones on her appointment as Assistant Principal at Kenthurst PS, and to the following teachers on their permanent teaching positions or being appointed closer to home; Miss Wu, Mrs Lie, Miss Tyburski, Miss McDonald, Mrs Wallis and to our school counsellors Ms Binstadt and Mrs Cole on their new school appointments. All the very best to Ms Trish and Ms Melissa, our SLSOs who will be working at The Ponds HS next year. Thank you for your dedication to RPS and we wish you all the very best!

2022 brings great events, adventures and challenges.

Our students are in great hands, collectively we continue to incorporate an inclusive philosophy built on respect, responsibility and relationships.

Wishing everyone a safe and peaceful Christmas holiday.

Warm regards,

Jeanie Brown
Principal

Merit Awards

Congratulations to our **Kindergarten** Term 4 Week 8/9 Merit Awards recipients

Class	Week 8 Recipients	Week 9 Recipients
KA	Jamie, Aanvi, Reet	Aradhana, Shabnam, Avjot
KB	Prinsha, Prisha, Sriyansh	Zaina, Tegh, AaroHi,
KC	Urja, Adrija, Nived	Zidane, Ayansh, Pranshul

ENGINEERING & ROBOTICS CAMP

WONDER KIDZ

Eligibility	Date	Time	Enrolment Link	No. of Days	Fees

Engineering and Robotics Workshop: These workshops provide theoretical knowledge in software and mechanical engineering combined with Mathematics and Science. These are hands-on workshops where the students will follow a design process and build a working machine using Lego®. They will also be able to program the machine to perform certain tasks.

“Elliot has continued to talk about how fun Engineering Camp was. A wonderful camp and he will be attending again in the future.”
- Larissa (Parent in NSW)

“Fantastic experience for young minds. Nate had an absolute blast and cannot wait to do it again next year. He is still talking about it nearly 2 weeks later. Thank you”
- Anon (Family in NSW)

If you're a wonderer, these workshops are for you!

Parents are requested to provide crunch & sip and lunch clearly labelled with the child's name.

The students may also go through an outdoor activity. Please ensure the child has a hat and sunscreen. We have a strict policy of **"No hat no outdoor play"**.
