National Ride2School Day – 24 March 2023

Did you know that RPS has 162 bike/scooter racks for our students! I am delighted with how many students are riding safely to school and wearing their helmet. Next Friday, we acknowledge National Ride2School Day. In preparation this week you may like to brush up on the rules when riding on the footpath or shared path:

<https://www.nsw.gov.au/topics/roads-safety-and-rules/bicycle-safety-and-rules/cyclist-road-rules#toc-shared-paths-and-footpaths>

Make sure your bike is “ride ready” beforehand!

Parent-Student-Teacher conferences will be held in Week 10 this term. Our students are ready to continue to take control of their learning goals. During these conferences students will spend time outlining their learning goals for the semester and have an opportunity to evaluate their own personal growth and progress, setting new learning goals and talking about how you can (both parent and teacher) assist in the next steps along their learning journey. Information regarding how to book your appointment time is available on our school app.

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is a point in time assessment of literacy and numeracy skills that are essential for every child to progress through school and life. Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in writing, reading, conventions of language (spelling, grammar, and punctuation) and numeracy.

Our school will be participating in NAPLAN Online between **15 and 24 March 2023**.

Excessive preparation for NAPLAN Online is not recommended. Students can use the [public demonstration site](https://www.nap.edu.au/online-assessment/public-demonstration-site) (<https://www.nap.edu.au/online-assessment/public-demonstration-site>) to familiarise themselves with the types of questions and tools available in the NAPLAN Online tests.

Date	Test	Grade
Wednesday 15 March	Writing (Paper Test for Year 3)	Year 3 and Year 5
Friday 17 March	Reading	Year 3
Monday 20 March	Reading	Year 5
Tuesday 21 March	Conventions of Language	Year 3
Wednesday 22 March	Conventions of Language	Year 5
Thursday 23 March	Numeracy	Year 3
Friday 24 and 27 March	Numeracy	Year 5

Please note that these dates are a guide only and may change slightly depending on school needs. **Catch up tests will be provided for those students who are absent on their test date.**

Late Drop off and Early Pick Up

If you are picking up your child early, you must go to the school office and sign them out before your child can leave. If a student is late arriving to school, you must sign them in at the front office before they go to class. Students cannot sign themselves in or out of school.

Attendance

Regular attendance at school is essential to assist students to maximise their potential.

If your child is absent from school an explanation is required promptly. Listed below are a few options for parents to inform the school of their child's absence:

1. Email your child's teacher on the day of absence (all parents have been provided with their child's teachers email address).
2. Send your child's absence through the school app on the day of absence.
3. Write a letter to your child's teacher that is received the following day (only for single day absences as an explanation is required promptly).
4. Email the school - riverbank-p.school@det.nsw.edu.au

All explanations are required within 2 days of your child being absent. An absence is unexplained if parents have failed to provide an appropriate explanation to the school within 7 days.

If you receive an absence letter this needs to be returned promptly to the classroom teacher.

Late arrivals – Any student who arrives after 8:45am must have an adult with them and be signed in at the office.

All students should be in the gate by half-past eight.

Extended Leave - If you are taking a long term of absence (5 days or more), for example a holiday during the school term, you must inform the school's front office and complete a Certificate of Extended Leave. **Leave greater than 20 school days will not be approved.** Any documentation such as travel details, itinerary or flight bookings are needed to issue the extended leave certificate.

Bike and Scooter Safety - Always wear a helmet when you ride or skate.

All bicycle and scooter riders are required by law to wear an approved helmet that is securely fitted and fastened. We are observing an increased number of students now riding bikes and scooters with their helmets. Thank you to our school community for ensuring students are riding safely to and from school.

Traffic and parking near the school

As we have welcomed many new families to our school community in 2023, I remind you it is crucial that we all follow road rules and are patient and careful when driving around our school zone each morning and afternoon. The safety and wellbeing of our students is paramount. The school's Kiss and Drop area is within the "No Parking" zones and are located on Wentworth Street and Riverbank Drive. You are only allowed to stop your vehicle to set down or pick up passengers and must not stop for more than 2 minutes. The driver must not be more than 3 metres from the vehicle. Highway patrol will be regularly patrolling our perimeter. Thank you for ensuring the safety of all our students when entering and leaving the premises.

Allergies

Anaphylaxis is a potentially life threatening, severe allergic reaction which occurs after exposure to an allergen (usually to foods, insects, or medicines), to which a person is already extremely sensitive. We have several students at Riverbank Public School with anaphylaxis and similar allergic conditions and our staff undertake face-to-face and online training in providing an emergency response to this condition. The parents of our anaphylactic and allergic students work hard to educate their children about the risks of sharing food, as do our teachers. As this is a potentially life-threatening condition, we ask that you please consider these students before sending high-risk products such as peanut butter, Nutella, and seafood in school lunchboxes. Please talk to your child about the potential risks of sharing food and ask them to wash their hands after eating any nut-based or seafood products. Thank you for your understanding, our anaphylactic children and their families appreciate your support.

Practical help for parents and carers - Our new families may be interested in accessing the useful information for parents and carers provided for 2023 here:

<https://education.nsw.gov.au/public-schools/practical-help-for-parents-and-carers>

Year 6 Parents - 2024 High School Applications Online Forms

2024 High School application forms are now online. To enrol your child in Year 7 for 2024, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7.

The EOI is now available on our school website. Go to the Enrolment tab (top right-hand corner) and then Moving to High School. After you submit an EOI and it has been assessed, your child will be offered a place at a high school.

If your child will not be attending a NSW Government high school next year, please complete the Placement Not Required section.

If you are unsure whether your child will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the process as smooth as possible.

For parents/carers who are not able to complete an application online, a paper EOI form can be collected from the school office.

Stage 1 Visiting Chickens

As part of the Science unit 'Living Things', Stage 1 had the opportunity to learn about the life cycle of a chicken by welcoming special visitors. Students were intrigued to observe the growth of the chicks and their feathers over the course of the last two weeks.

Have a wonderful fortnight.

Facebook

Riverbank Public School has its own Facebook page where we celebrate student's achievements. Parents are unable to post any news items but can comment on reports and photos. The page is designed to keep the community up to date regarding all the wonderful things that happen at Riverbank Public School.

In addition to Facebook, Riverbank Public School use Twitter to share events as they happen throughout the school. You can follow us on Twitter [@RiverbankPublic](https://twitter.com/RiverbankPublic).

Restorative Practices

Restorative Practices form the relational basis for Quality Teaching and Learning at Riverbank Public School. Our Restorative Practice Framework, because of its explicit nature, offers a common language and practice capable of fostering healthy relationships.

Student achievement is enhanced through Restorative values being embedded as a way of being and learning together. Our approach fosters individual responsibility and helps develop empathy. Inappropriate behaviour or choices and mistakes can be viewed as an opportunity for insight, learning and development in both the academic and social domains.

The explicit framework is inextricably linked to the Quality Teaching Framework and includes the following sets of questions to be asked by children, teachers, and parents.

When Things Go Wrong.... When Someone Has Been Hurt

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you may do to make things right?
- What did you think when you realised what happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

The process is empowering as it takes students from the past to the present and gives them hope for the future. It empowers them to make things right and heal any harm that has been done.

A restorative classroom setting is one that values dialogue through an inclusive approach where everyone expects to be heard and through this participatory process, students develop the capacity to learn that emotions are an important and legitimate expression of healthy dialogue. This process helps students to deal with conflict, tensions and difference in respectful ways that engender trust and foster healthy relationships.

School Motto

The school's motto, 'Learning to Live, Living to Learn', reinforces a broad and enriching curriculum, which not only focuses on the development of literacy and numeracy skills but also on the social and emotional wellbeing of the students whilst respecting a culturally diverse community.

Riverbank Public School Code of Behaviour

- We share the voice space by listening actively to others and expressing ourselves confidently.
- We follow instructions by being in the right place, at the right time, doing the right thing.
- We use build-ups by saying encouraging, affirming things to others.
- We keep our hands, feet, and objects to ourselves so that everyone is safe.
- We own our own behaviour because we choose how we behave.

Our Help Increase the Peace (HIP) Keys – School Rules:

Our school values will incorporate the 'Help Increase the Peace Keys' to promote a harmonious, nurturing, and challenging living and learning environment.

The HIP program offers a whole school approach to building relationships through communication, co-operation, trust building and conflict resolution.

Creative and Performing Arts (CAPA)

Our Riverbank CAPA Groups have begun rehearsals this week and students have already shown a strong interest and dedication to their group. Kindergarten Dance groups will commence in week 8.

If your child was successful in making it into a CAPA group, their note will be available on School Bytes within the next week. The CAPA levy will also need to be paid along with the permission.

We are excited to showcase three of our Creative and Performing Art groups below.

Year 3 Dance Group Blue

Year 3 Dance Blue have jumped straight into rehearsing for the year with Miss Maher and Miss Matthews. We are excited to learn our new dance moves and perform them later in the year for the school community at our Captivate Concert.

Year 4 Dance Group Pink

Students in Year 4 Dance G Pink have enjoyed a fantastic start to the year with their first rehearsal with Miss Wade and Miss Hodgetts. The students will be dancing to a monster-themed song which will involve some spooky dance moves. We are very excited to continue to learn this dance and showcase it to an audience.

3-6 Dance Troupe

3-6 Dance Troupe have been keen to learn the lyrical jazz choreography to the quick tempo of 'I could get use to this' by Becky Hill. A buzz of excitement filled the air during weekly rehearsals as they refine their skills and challenge themselves with new techniques. The spectacular dancers can't wait to perform this year and display their awesome talent on stage.

Library Update

Library Prefects

Our Library Prefects are doing a tremendous job helping classes with their borrowing. They are also required to come once a week for training. This week they were busy putting stickers on books which belong in tubs. This makes it easier for students to locate popular authors.

Borrowing

We have such an amazing collection and do our very best to provide multiple copies of most books. Graphic novels (comics) continue to be a much sought after collection, especially in Years 5 & 6 and we now have a range of Manga books available after lots of requests.

Good friends Twinkle and Aalya in 5G love to borrow the same books so they can talk to each other about the books they are reading! Twinkle especially loves to borrow books by Jess Black as Jess visited the school last year as part of our Book Week celebrations.

- Never undertake a U-turn near the school.

Safety Tips for Students:

- Stay buckled up until the vehicle has stopped in the 'Drop-off and Pick-up' area.
- Make sure your school bag and other items are in a safe position, e.g., on the floor.
- Be ready to get out of the car with your belongings when the car has stopped, and you have unbuckled your seatbelt.
- Always get in and out of the backseat of the vehicle through the safety door - the rear footpath-side door.

No Stopping

What does it mean? You cannot stop in this area FOR ANY REASON (including queuing or waiting for space).

Why is it there? Keeps clear sight lines between drivers and children/pedestrians.

Penalty \$330 + 2 Demerit Points (School Zone)

No Parking

What does it mean? You can stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. If no spaces are available, you cannot queue on the roadway or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up.

You must always stay within three metres of your vehicle.

Why is it there? To provide a safe place for children/pedestrian set down and pick up.

Penalty \$183 + 2 Demerit points (School Zone)

Bus Zone

What does it mean? You must not stop or park in a bus zone for any reason (including queuing or waiting for a space) unless you are driving a bus.

Why is it there? To provide a safe place for large buses to set down and pick up school children.

Penalty \$330 + 2 Demerit Points (School Zone)

Pedestrian Crossings

You must not stop within 20 metres before a pedestrian crossing or 10 metres after a crossing unless there is a control sign permitting parking.

Why is it there? To ensure that children can be clearly seen by vehicles approaching the crossing.

Penalty \$439 + 2 Demerit Points (School Zone).

Footpaths, Driveways and Nature Strips

You must not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON.

Why is it there? You could easily run over a child or force pedestrians onto the road to get around you.

Penalty \$183 + 2 Demerit points (School Zone)

Double Parking

You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.

Why is it there? Double parking forces other cars to go around you cause traffic congestion and reduces the view of drivers and children crossing the road.

Penalty \$330 Demerit points (School Zone)

The school is very fortunate to have dedicated volunteers who assist in the safe pick-up of students in this area. Please follow any instruction given to you by these volunteers in order to keep the children safe.
