To celebrate the excellent behaviour of Year 6 students over the year we will be taking students to **'Ultimate Family Fun Centre'** for some trampoline fun.

Please see the following details:

Location: Ultimate Family Fun Centre

Address: Redbank Rd, Northmead

Date: Tuesday 17 December

Times: leaving school at 9:00am and returning to school at 12:00pm

Cost: \$15.00

Transport: by bus

Clothing: mufti, with enclosed shoes and socks

All children will need grip socks to participate in this excursion. Students can bring their own grip socks or they can purchase them at Ultimate Fun Centre for \$2 on the day.

Ultimate Family Fun Centre Rules

- Please note that **Ultimate Family Fun Centre** has rules that we must abide by. These rules are taken directly from their website:
- No outside food can be eaten at the venue.
- Do not double bounce - double bouncing is extremely dangerous. It's one of the leading causes of injuries.
- No double flips - single flips, yes, double flips, no.
- No "stupidness" - this means no pushing or tackling or similar shenanigans. These add an element of danger to not only yourself but others.
- Going from flip to flip to flip is not allowed. It may seem like a good idea, but we have seen what happens next and it isn't pretty, especially if there are little ones in the same area.

- Stay in the centre of the trampoline - try to stay in the centre of the trampoline when jumping to avoid hitting the frame and injuring yourself. That means no landing on the pads, just the centre of the trampoline.
- Do not sit or lie on the trampolines - if you are tired and need to rest, you must get off the trampolines. If you sit or lie on them, people might trip over you, land on you or cause injury to someone else and that's probably going to hurt.
- No matter how awesome they look, hanging zips, stringy things, loopy bits and belts can get caught on things. When you are on the trampolines avoid wearing them. Don't forget to empty your pockets, remove your jewellery and your watches – you don't want to lose them. Once they go, they don't come back!
- Ultimate socks - our socks give you the right grip when jumping. No **Ultimate** socks, no jumping or playing! Grip socks are the only things we want sticking to the equipment, trampolines or floor. Chewing gum is banned and can incur a fine of \$50 if found.
- No climbing! Bouncing off the walls is fine, but no climbing the walls or the netting, or no hanging from the top pads. We're a trampoline park, not a jungle gym.
- No tackling or pushing - not cool. You will be asked to leave if you are seen tackling, pushing or hurting anyone else.
- Be alert - people of all ages and sizes use **Ultimate Sydney**. Avoid doing things that might harm anyone else. This includes things like double bouncing, more than one person on a trampoline, or switching trampolines in a dangerous way.

Notes:

Please **sign** and return the permission note and waiver to school by **Friday 8 November 2019**. This will include the payment, the medical form, the permission note and the waiver for the venue.
